

## Terms of Reference December 2016

### 1. PURPOSE AND PRINCIPLES

#### 1.1. Role of the Local Enterprise Partnership

1.1.1 The South East Local Enterprise Partnership (the LEP) is a strategic partnership which brings together the public and private sectors to support economic growth across the local authority areas of East Sussex, Essex, Kent, Medway, Southend-on-Sea and Thurrock. It has a federated model of operation which is principally supported by the Greater Essex Business Board, Kent and Medway Economic Partnership, Opportunity South Essex and Team East Sussex.

1.1.2 The LEP will:

- a) progress priorities of cross-border economic importance where there is added value in working together
- b) support priorities of local importance where they are designated as priority by local partners
- c) support the conditions through which a more creative, responsive and flexible working relationship can exist between business and government at all levels
- d) seek resources, freedoms and flexibilities to progress strategic growth priorities
- e) operate transparently, openly and in collaboration
- f) work in collaboration with neighbouring LEPs, including London, where the agenda dictates

1.1.3. In pursuit of this role, the LEP will bring together intelligence and expertise to identify priorities and develop solutions to maximise particularly private sector investment into the area and to address barriers to growth.

#### 1.2. Legal status

1.2.1. The LEP is an informal partnership. It does not have legal status to enter into contracts and will act through one of its local authority partners as Accountable Body. This role has been undertaken by Essex County Council since the LEP's inception, but need not remain the case.

#### 1.3. Subsidiarity

1.3.1. The LEP operates on the principle of subsidiarity. This means that decisions should be taken at the practical level closest to the communities and

businesses affected by those decisions. The LEP's 'federal' model of operation provides a clear structure for this approach. This allows for local decision making around individual projects and for decision-making of a more cross-cutting nature at the LEP Strategic Board.

- 1.3.2 Designated as a s.101 committee as defined by the Local Government Act (1972), the Accountability Board provides the accountability structure for decision-making and the approval of funding within the overarching vision set by the Strategic Board.
- 1.3.3 This document articulates the principal machinery around the LEP for the benefit of Board members and other interested parties. This should not preclude the emergence of new groups to support the working agenda, or indeed advisory arrangements to support the work of the SELEP team. Future iterations of this document will record any material change.

This satisfies the accountability processes of the Accountable Body and the requirements of Government.

## 2.9 Other Board and working group arrangements

### *H-J all National Assurance Framework requirements*

2.9.3 The LEP's working agenda is supported by a range of advisory, working and interest groups. Over the course of the LEP's existence, some activity has ceased naturally and some has increased exponentially. Now termed simply as SELEP working groups, the groups and their top-level purposes are detailed below. Broad membership of the working groups is listed separately.

2.9.4 The Working Groups listed below should provide the following as a minimum:

- a) a simple Terms of Reference, which will be made available on the LEP website
- b) notification of future meetings and meeting notes made available on the LEP website
- c) clarifications around how federal areas have been engaged in any process which culminates in recommendations being made to the LEP Strategic Board
- d) an action plan which clearly associates milestones, outputs and monitoring arrangements when LEP funding is being spent
- e) an assurance that LEP funding will not be used until approval, where required, has been obtained from the LEP Strategic Board.

2.9.5 The Working Groups are accountable to the LEP Strategic Board and will be required to provide updates to each Strategic Board meeting. Where there is specific local interest to their work, the Working Groups should also report to federated boards.

Group	Function	Purpose
Senior Officer Group	Advisory	<ul style="list-style-type: none"> <li>- To provide resource and advice to the SELEP team on particular items of work, to link with local political members, to support effective decision making and to generally expedite the work of the LEP.</li> <li>- For more urgent matters, the Director of the LEP can call a 'Directors Group' of lead federal area representatives together.</li> </ul>

U9	Working Group	- To promote the interests of universities across the LEP, to follow best practice, to coordinate around funding bids and to drive the LEP's work around innovation.

2.9.6 It may be the case that working groups either cease to exist or are created to reflect the LEP's operational Strategic Economic Plan and the levels of priority and engagement from Government. The LEP does not preclude the inauguration of further groups which would exist to help deliver its objectives and will work with the federated boards in developing plans.

2.9.7 The Working Groups shall have a designated direct link to the SELEP board, either through existing representation, or through an existing board member acting as a champion for the sector.

2.9.8 There are two meetings external to, but coterminous with the LEP. The ESIF sub-committee, administered by DCLG for the discharge of European funding in the LEP area, continues to operate and is well aligned with the LEP team. The Thames Gateway Strategic Group, which incorporates South Essex, North Kent and East London, continues to meet to progress the delivery of Government policy objectives in the area and continues to benefit from special ministerial attention. Both of these groups are critical to the LEP's successful discharge of its duties and will therefore continue to be resourced.
