* This estimate is potentially unreliable due to sample sizes.

! Figure is unavailable as the group sample size is disclosive (0-2) or the estimate is less than 500.

Counts are rounded to the nearest 100.

Figures from 2006 to 2010 may differ slightly from figures published in ONS tables due to small rounding differences in the weighting variables used.

Skills Levels January to December 2016 (aged 16-64)
